

## PRODUCT FICHE

# ASKO

## Microwave oven - combined

500322  
OCM8487A

### USP :

Product group  
Image

Combined compact microwave oven

### Basic information :

|  |                                   |
|--|-----------------------------------|
| Product group                                  | Microwave oven - combined         |
| Brand  | ASKO                              |
| Commercial code                                | OCM8487A                          |
| Internal article number                        | 500322                            |
| EAN code                                       | 3838942106675                     |
| Main colour of product                         | Jet black                         |
| Construction type                              | Built-in                          |
| Type of control                                | Electronic                        |
| Microwave function                             | Yes                               |
| Are any hobs controls integrated?              | Yes                               |
| Door Material                                  | Glass                             |
| Energy input                                   | Electricity                       |
| Cooking method                                 | Combined compact microwave oven   |
| Electrical connection rating                   | 3000 W                            |
| Current  | /                                 |
| Voltage  | 220-240                           |
| Frequency                                      | 50/60                             |
| Marks of conformity                            | CE,VDEGS,RCM,SAA467EA             |
| Plug type                                      | Without plug, supply cord 3 x 1.5 |
| Height of the product                          | 455 mm                            |
| Width of the product                           | 595 mm                            |
| Depth of the product                           | 546 mm                            |
| Height of the packed product                   | 550 mm                            |
| Width of the packed product                    | 660 mm                            |
| Depth of the packed product                    | 700 mm                            |
| Min height of installation niche               | 450 mm                            |
| Min width of installation niche                | 560 mm                            |
| Depth of installation niche                    | 550 mm                            |
| Net weight                                     | 35,8 Kg                           |
| Gross weight                                   | 40,5 Kg                           |
| Automatic programmes                           | /                                 |
| Type of control setting and signalling devices | TFT MATRIX                        |
| Color / Material front                         | Jet black                         |
| Grill power                                    | 2200 W                            |

### Features :

|                                  |                        |
|----------------------------------|------------------------|
| Temperature control              | Electronic             |
| Short description of the product | BO4CM4F3-42 - OCM8487A |
| Timer                            | Yes                    |
| Integrated Cleaning system       | Easy to clean enamel   |
| Grids                            | 1                      |
| Time control                     | Mechanical             |
| Time-setting Options             | Start and stop         |
| Trays                            | 2                      |
| Control panel information        | TFT display            |

|                               |  |
|-------------------------------|--|
| Oven interior                 | /  |
| Motorized Turn Spit           | No   |
| Additional equipment included | Baking tray EM - 1<br>Oven grid - 1<br>Glass pan - 1 |
| Safety device                 | Thermo electric oven protection<br>Oven door switch  |
| Oven lighting                 | Yes  |
| Position of interior lights   | 2  |
| Meat probe                    | /  |
| Oven guides                   | Wire type 1x   |

### Energy label information / Performance :

|   |                 |
|---|-----------------|
| Standard load cooking time - fan cooking                              | 49,5 min        |
| Standard load cooking time - conventional cooking                     | 46,0 min        |
| The power consumption in off-mode                                     | 1,00 W          |
| Energy consumption per cycle conventional (2010/30/ES)                | /               |
| Energy consumption gas oven per cycle conventional (2010/30/ES)       | /               |
| Energy consumption per cycle forced air convection (2010/30/ES)       | /               |
| Usable volume of cavity (2010/30/ES)                                  | 50 l            |
| Number of cavities - NEW (2010/30/EC)                                 | 1               |
| Energy consumption gas oven per cycle conventional - NEW (2010/30/EC) | /               |
| Energy efficiency index (2010/30/EC)                                  | 0,0             |
| Energy efficiency class   | /               |
| Energy consumption conventional                                       | 0,89 kWh        |
| Noise   | 47 db(A)re 1 pW |
| Energy consumption forced air convection                              | 0,79 kWh        |
| Useable volume (of cavity)  | 50 l            |
| Product size  | Medium          |
